CHRISTMAS BINGO

Free Sampler

What's inside

- 2 Christmas bingo cards (pages 2 and 3)
- The full caller list for the host (page 4)
- Print in black and white or color, US Letter

How to play

Hand out the cards. The host reads items from the caller list in any order and checks them off. Players mark each square they hear; the first to get 5 in a row calls BINGO.

Two cards suit a small group or a classroom table. For a bigger party, the full bundle has 8 different cards, so no two players match.
